

Kenadi Weis

Kenadi is a beautiful baby daughter of Jamey and Kelly Weis born in June of 2008. After a difficult delivery she was diagnosed with epilepsy and possibly encephalopathy. After treatment at a Childrens Hospital in Cleveland, Ohio and close to 2 months of daily shots, we are able to report as of January 22nd, she continues to improve. Kenadi smiles, coos and even laughs and is able to sit up with a little help. It is always a very good feeling to be able to deliver a check to a family that has unexpected expenses and we can help fill in the gap with what is not covered by insurance.

RFK is grateful that we have wonderful support from many of the Realtors and the many other people and organizations that donate to our cause and are able to help many young people in the Northern Hills.
